Local and Personal.

Merry Christmas to all.

Who will be the new councilmen.

Sheriff Allen visited Marianna Tuesday.

Bird and duck hunting is a favorite sport now.

How about that next wedding? have we been fooled?

Be sure to ask "Dug" to show you those Drummer's samples.

See J. N. Taylor's notice: he is a candidate for marshal.

Mr. W. W. Gainer of Econfinia, was up this week on business.

To Cure a Cold in One Day.
Take Laxative Br mo Quinine Tablets. All Druggists refund the money if it fails to cure. 2 c.

W. J. Daniel of Marianna, was in the city Wednesday on business.

Look what Dekle says: don't forget that lot of Drummer's samples.

A few more days left before we enter a New Year; come and see us.

Quite a number of people are now coming in from the North and West.

SAY! Christmas is not quite over, send your order for liquors to Jacoby.

Mr. W. O. Butler, Jr. and wife came in last week and visiting their parents.

Jacoby has proved just what he said: better goods and lower prices than ever.

A Sure Thing for You.
A transac... in which you cannot lose a sure thing... Biliousness, sick headache, fur... red tongue, i.e., piles and a thousand other... it is caused by constipation and sluggish... liver. Ca-cacets Candy Cathartic, the won... derful new liver stimulant and intestinal... tonic are by all druggists guaranteed to cure... or money refunded. C. C. C. are a sure... thing. Try a box to-day; 10c., 25c., 50c... Sample and booklet free. See our big ad.

There has been more strangers on our streets this week than at any time within five years.

Suppose there was war between China and Germany; how could that effect prices at Dekle's?

Mr. Daffin of Marianna, come over on Tuesday and spent a couple of days with friends, here.

A blue X indicates that your subscription has just expired; a red X indicates a discontinuance.

We note that Rev. R. A. Foster has been as pastor of the M. E. church at this place for another year.

BORN:—To Mr. and Mrs. W. U. McCrary, on last Tuesday night, a girl; this only makes nine for them. Both mother and daughter are doing well. Success to the little one.

Carmichael for Mayor; Watson for Marshal; this is the people's ticket, for 11 out of 10 say so; see? But wait results.

Listen! don't you hear the rumble of the cars, South? They are coming from St. Andrews Bay.

If you would just watch the store who did advertising last week you could see what it was worth.

We call your attention to the locals of Mr. S. F. Moore of Westville; he will do just what he says.

School closed on Friday of last week, to give the pupils a two weeks vacation during the holidays.

Our turpentine manufacturers are jubilant over the prices of spirits and rosin. Good prices make good times.

Remember; did you read that "awefull and spelled wrong at that?" you did not find Jacoby's prices wrong though.

It only takes a trial order from Moore at Westville to convince you that he will do what is right; they all know him.

On all orders of four and one half gallons of whiskey, wine or brandy, Moore will pay the freight or express charges.

Mr. Baker of Lexington, Ky., arrived a few days ago and is the guest of Mr. J. P. Bryant; we wish him a pleasant visit.

No Cure—No Pay.
That is the way all druggists sell Groves Tasteless Chili Tonic for Chills and Malaria. It is simply iron and Quinine in a tasteless form. Children love it. Adults prefer it to bitter nauseating tonics. Price, 50c.

We return thanks to Mr. W. A. Nevill, of Kewanee, Ill.; his name is placed on the honor roll. He shall have anything in the way of information we have, or can get.

Remember: All papers discontinued as the two year date of subscription comes; look out for the red X, then you may know the balance if you do not get your paper.

On the 4th day of January, don't forget this:

Carmichael for Mayor,
Watson for Marshal,
Bellamy for Clerk.

Mr. J. H. Williams and Mother of Pensacola came in Tuesday to spend the holidays with friends and relatives. This is "Boss'" first trip out here since the fever epidemic on M. & M.

Marshal Watson has had some nice work in the way of raking up and sweeping in front of the stores done this week; it makes the town look so much better especially to the visitors.

Officer Ragan, one of the most congenial fellows of the Pensacola police force passed through Friday night from Thomasville, Ga., where he had been for several days, visiting friends.

SAY! there is one thing we like to forget to tell you; Mr. S. F. Moore at Westville will sell you whiskey Xmas as cheap as you want it. Remember the place and party, S. F. MOORE, Westville.

Mr. J. D. Forrester withdrew his resignation sent the Singer Sewing Machine Co., as manager of their business in this territory. He is a hustler and they know it, hence they offered extra inducements.

Mr. Dekle has secured the services of Mr. Hiley of Orange Hill, and Master Frank Twiggell of this place, as salesmen their friends will find them behind his counters ready to wait on customers at all times.

Don't be persuaded into buying Uniments without reputation or merit—Chamberlain's Pain Balm costs no more, and its merits have been proven by a test of many years. Such letters as the following from L. G. Bagley, Huene, Cal., are constantly being received: "The best remedy for pain I have ever used is Chamberlain's Pain Balm and I say so after having used it in my family for several years." It cures rheumatism, sprains, back, sprains and swelling. For sale by R. B. Bellamy and J. R. Farrior.

List of appointments made by the Methodist Conference for West Florida District: Marianna district, C. B. Pilley, P. E.; Marianna station, J. R. McGlaun; Chipley, R. A. Foster; Orange Hill, W. D. Owens; Westville, H. B. Register.

The selection of Judge F. B. Bonifay as successor to the lamented Hon. W. D. Chipley is a good one. Judge Bonifay is well and favorably known, and as Land Commissioner for the P. & A. division of the L. & N., will be received with delight Success to Judge Bonifay.

All parties who feel that they could, or would contribute toward the erection of a monument to the late lamented Hon. W. D. Chipley, will please bring same here, or hand to Mr. G. A. Danley; either he or myself will receipt for any amount anyone may wish to hand in. See notice elsewhere.

CONSUMPTION POSITIVELY CURED
Mr. R. B. Greeve, merchant, of Chilhowie, Va., certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all cough remedies he could hear of, but got no relief; spent many nights sitting in a chair; was induced to try Dr. King's New Discovery, and was cured by use of two bottles. For past three years has been attending to business and says Dr. King's New Discovery is the grandest remedy ever made, as it has done so much for him, and also others in his community. Dr. King's New Discovery is guaranteed for coughs, colds and consumption. It don't fail; trial bottles free at J. R. Farrior's drug store.

A MODEL MARDI GRAS.
The T. P. A. has hopes of getting up a Mardi Gras celebration in Pensacola which will surpass all previous efforts in that line. The move is a commendable one, and we feel sure that it will be a success. Let all who feel an interest in the matter meet at Dekle's Hall next Monday.

Pensacola, Fla., Dec. 16, 1897.

Knowing your friendship for the Hon. Wm. Dudley Chipley, lately deceased, the Committee on Subscriptions for erecting a monument here to him, take this liberty of sending you and G. A. Danley herewith a few subscription blanks with the request that, in order to give those desiring an opportunity of contributing, you them circulated as widely as possible throughout your county among Col. Chipley's numerous friends. If you should need any further blanks please advise us and we will forward them.

Yours respectfully,
WM. H. KNOWLES, Chrm.

Everybody Says So.
Cascarets Candy Cathartic, the most wonderful medical discovery of the age, is pleasant and refreshing to the taste, and is positively on kidneys, liver and bowels, cleansing the entire system, dispelling colds, cure headache, fever, habitual constipation and biliousness. Please buy and try a box of C. C. C. to-day; 10c., 25c., 50c. Sold and guaranteed to cure by all druggists.

CHRISTMAS THOUGHTS.
Today being Christmas, the BANNER takes this opportunity of wishing its many friends and subscribers a merry Christmas.

Indulging in a little retrospection we will add: In the capacity of friend, advisor and helper, the BANNER would ask each of its readers to reflect on our past positions. Have we not went hand and hand in all questions of importance in the State? Have we not always been the friend of the people? Have not our views ever been in accord with the greater minds of both the State and Nation? If, at all times our views have not coincided with your ideas, don't judge too harshly, but give us a chance to set ourself in unison with you. We will always be found ready to work for you and yours in all matters that will be to the upbuilding of West Florida and especially Washington county.

Again, we wish you a Merry Christmas.

After hearing some friends continually praising Chamberlain's Colic, Cholera and Diarrhoea Remedy, Curtis Fleck, of Anaheim, California, purchased a bottle of it for his own use and is now as enthusiastic over its wonderful work as any one can be. The 25 and 50 cent sizes for sale by R. B. Bellamy and J. R. Farrior.

GRACEVILLE NOTES.
The indications are that Chipley is gaining favor with our people as a place of trade. Dothan has had advantage of cheaper freight rates, but the "snapshots" attachments against Florida debtors are causing a halt, and a turning to home patronage. Let the good work go on.

We look in vain, for a man to supply our loss, in the death of the lamented J. N. Daniel of Chipley.

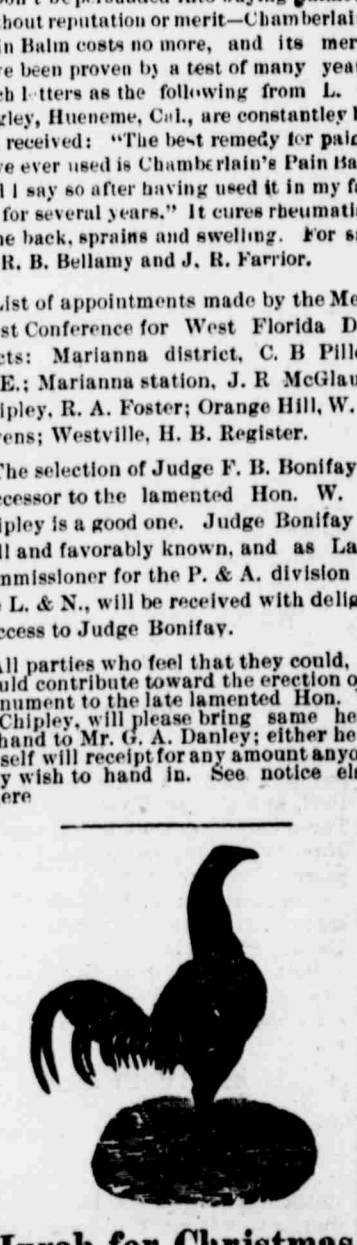

Our village was surprised last Wednesday, by the arrival of Rev. Mr. Self, with his "holiness tent" for Gospel preaching. Financial depression, social strife, personal enmities, jealousies, etc., loomed up in line of battle against the brave little preacher—a case of David and Goliath. The battle has lasted several days, Goliath is down and the rout of the Philistines has commenced.

DEMOCRAT.

HOW TO PREVENT PNEUMONIA.
At this time of the year a cold is very easily contracted, and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction.—Olagn, Ind. Ter. Chief.

This is the only remedy that is known to be a certain preventative of pneumonia. Among the many thousands who have used it for colds and a gripe, we have never yet learned of a single case having resulted in pneumonia. Persons who have weak lungs or have reason to fear an attack of pneumonia, should keep the remedy at hand. The 25 and 50 cent sizes for sale by R. B. Bellamy and J. R. Farrior.

At a meeting of the Florida Division of the Travelers Protective Association of America held at the Merchants Hotel on the night of Dec. 2nd, the undersigned committee was appointed to confer with the different Commercial and Social organizations of Pensacola for the purpose of having a parade on next Mardi Gras, February 22.

The Gala Week which has just proven such a great success at Jacksonville, was organized under the auspices of Post "A" of this Division. There is therefore no reason why a Mardi Gras procession should not be made a success in this city. Not only would it be the means of keeping our people at home, but would attract thousands of stranger, who would not only spend their money but would advertise our city as well.

If you approve of our project we would ask your Honorable Body to appoint a committee to confer with the undersigned on a date to be published later, probably between Christmas and New Year.

Please notify the undersigned chairman at your earliest opportunity.

Respectfully,
MAX L. BEAR, Chrm.

We commend the above to all our friends lets make Mardi Gras a complete success in Pensacola this season, and one of the things that we can do to furnish a float from here, to be placed in the procession, we have men here that will see that we are properly represented, and we can have something that will be of credit to us, then we have friends at Pensacola that will see that anything we send will be properly represented, say—meet at Dekles Hall, Monday Dec. 27—let all come, and lets make this a success.

HOW TO LOOK GOOD.
Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver be inactive, you have a bilious look, if your stomach be disordered, you have a dyspeptic look; if your kidneys be affected, you have a pinched look. Secure good health, and you will surely have good looks. "Electric Bitters" is a good alternative and tonic. Acts directly on the stomach, liver and kidneys; purifies the blood, cures pimples, blotches and boils and gives a good complexion. Every bottle guaranteed. Sold at J. R. Farrior's drug store at 50c per bottle.

Are You Weak?
Weakness manifests itself in the loss of ambition and aching bones. The blood is watery; the tissues are wasting—the door is being opened for disease. A bottle of Browns' Iron Bitters taken in time will restore your strength, soothe your nerves, make your blood rich and red. Do you more good than an expensive special course of medicine. Browns' Iron Bitters is sold by all dealers.

NEW DRAY.
On January the 1st we will commence a complete dray service for Chipley; will be ready to haul any and every thing, and at reasonable rates. We ask your patronage and promise to give satisfaction. Our hack will meet every train for the accommodation of passengers.

I hereby announce to my friends that I am a candidate for City Marshal of the town of Chipley at the ensuing election. Asking your suffrage and promising if elected to give you satisfaction, I am,

At a meeting of the Florida Division of the Travelers Protective Association of America held at the Merchants Hotel on the night of Dec. 2nd, the undersigned committee was appointed to confer with the different Commercial and Social organizations of Pensacola for the purpose of having a parade on next Mardi Gras, February 22.

The Gala Week which has just proven such a great success at Jacksonville, was organized under the auspices of Post "A" of this Division. There is therefore no reason why a Mardi Gras procession should not be made a success in this city. Not only would it be the means of keeping our people at home, but would attract thousands of stranger, who would not only spend their money but would advertise our city as well.

If you approve of our project we would ask your Honorable Body to appoint a committee to confer with the undersigned on a date to be published later, probably between Christmas and New Year.

Please notify the undersigned chairman at your earliest opportunity.

Respectfully,
MAX L. BEAR, Chrm.

We commend the above to all our friends lets make Mardi Gras a complete success in Pensacola this season, and one of the things that we can do to furnish a float from here, to be placed in the procession, we have men here that will see that we are properly represented, and we can have something that will be of credit to us, then we have friends at Pensacola that will see that anything we send will be properly represented, say—meet at Dekles Hall, Monday Dec. 27—let all come, and lets make this a success.
